

The Texas Heart Institute

At St. Lukes Episcopal Hospital

presents

A Continuing Education for Pre-Hospital Providers

A CE series specially designed for EMS Medical Directors, Nurses, Paramedics, and Air Medical Transport Personnel.

December 1st 7:30 am-4:00pm

December 17th 8:00 am-4:30pm

Join our physicians and research staff as we discuss advanced topics in pre-hospital care, tours of the cardiac catheterization labs and tours of the surgical observation domes. Discussion topics will include:

- *Auscultation of Heart Tones
- *Acute CVA management
- *History and Physical exam of Cardiac Patients
- *Stem Cell therapy
- *Hypothermia Therapy
- *Implantable Cardiac Devices

There is no cost for the CE series, please valet park at the main entrance, and bring the ticket for validation. For more information contact Craig Moreau at 832-692-6034, email craigm350@aol.com
